

Armada Athletics Network GDPR Privacy Notice and Policy

The Armada Athletics Network are committed to protecting and respecting your privacy. For any personal data you provide for the purposes of your entry to events, administrator is the Data Controller and is responsible for storing and otherwise processing that data in a fair, lawful, secure and transparent way.

What personal data we hold on you

You may give us information about you by filling in forms at an event or online, or by corresponding with us by phone, e-mail or otherwise. This includes information you provide when you register with the Club, The information you give us may include your name, date of birth, address, e-mail address, phone number, name of the EA affiliated Clubs with which you are registered and gender (Athletics Data). We may also ask for relevant health information, and other which is classed as special category personal data.

Why we need your personal data

The reason we need your Athletics Data is to be able to administer your event entry, and provide the services you are signing up to when you register. Our lawful basis for processing your personal is that we have a contractual obligation to you as a member to provide the services you are registering for.

Reasons we need to process your data include:

For training and competition entry

- sharing personal data with club coaches or officials to administer training sessions;
- sharing personal data with club team managers to enter events;
- sharing personal data with facility providers to manage access to the track or check delivery standards.
- sharing personal data with leagues, county associations (and county schools' associations) and other competition providers for entry in events.

For NHS Test and Trace purposes

- sharing personal data with NHS Test and Tracing in the event of a reported COVID-19 positive case affecting an attendee at a club training venue or competition if requested by PHE.

For funding and reporting purposes

- sharing anonymised data with a funding partner as condition of grant funding e.g. Local Authority;
- analysing anonymised data to monitor club trends; and
- sending an annual club survey to improve your experience as a club member

For shared club management via your member club

- processing of entry forms and payments;
- sharing data with member clubs to provide information about club activities, coaching opportunities or invitation to social events;
- club newsletters promoting club activity; and
- publishing of race and competition results

Marketing and communications (where separate consent is provided)

- sending information about promotions and offers from sponsors;
- sending information about selling club kit, merchandise or fundraising.

Any special category health data we hold on you is only processed for the purpose of passing data to coaches to allow the safe running of training sessions. We process this data on the lawful basis of consent. Therefore, we will also need your explicit consent to process this data, which we will ask for at the point of collecting it.

The club has the following social media pages (Facebook, & Twitter). All members of clubs affiliated to the Network are free to join these pages. If you join one of the Social Media pages, please note that provider of the social media platform(s) have their own privacy policies and that the club do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data on the club social media pages.

How long we hold your personal data

Any personal data we hold on you will be securely destroyed after four years of inactivity. Your data is not processed for any further purposes other than those detailed in this policy.

Your rights regarding your personal data

As a data subject you may have the right at any time to request access to, rectification or erasure of your personal data; to restrict or object to certain kinds of processing of your personal data, including direct marketing; to the portability of your personal data and to complain to the UK's data protection supervisory authority, the Information Commissioner's Office about the processing of your personal data.

As a data subject you are not obliged to share your personal data with the Club. If you choose not to share your personal data with us we may not be able to register or administer your membership.
